

SAP Basis Mid-Senior System Administrator

Salary range 3000 – 5500 EUR gross

Your functions

- You will be part of a team administrating a diverse SAP landscape for a growing number of customers.
- The focus of your daily work would be:
 - Daily operations in SAP landscapes on all operating systems (Linux, Windows Server) and databases (HANA, Oracle, DB2, Sybase)
 - Various projects including new installations and release changes
 - Accompanying new developments such as S/4 HANA and multi/hybrid cloud operation
 - Troubleshooting
- Assistance in on-call support (currently about one week every quarter)

What we are looking for

- As a Basis Administrator, you should demonstrate experience in SAP Basis administration
- Good knowledge of standard operating systems (Linux, Windows)
- Good knowledge of one or more databases (i.e. Oracle, DB2 or Sybase)
- Ideally you should already have some initial experience in SAP HANA
- Good knowledge of ITIL v3
- Good English language skills and an agile mindset round off your profile

We offer

- Inspiring working environment, high volume of interesting projects and possibility to work together with experienced senior team
- Start-up environemt, where your voice matters and your ideas are encouraged
- Highly competitive salary and bonus package, full health insurance
- Cool team building events and possibility to travel to Germany for trainings
- Flexible working hours, home office possibilities and 22 days of paid vacation
- Employee oriented working culture
