

SAP Basis Senior Administrator

Salary range 3900 – 5500 EUR gross

Your functions

- You will be part of a team administrating a diverse SAP landscape for a growing number of customers.
- The focus of daily work would be:
 - Daily operations and maintenance in SAP landscapes (about 450 installations of Products such as S/4 HANA, ERP, BI, PI/PO, SCM, etc.) based on Linux/Windows and mainly all SAP supported databases (e.g. SAP HANA, Oracle, IBM DB2, SAP ASE)
 - Various projects including new installations and release changes
 - Accompanying new developments such as S/4 HANA and multi/hybrid cloud operation
 - Troubleshooting
 - Assistance in on-call support (currently about one week every quarter)

What we are looking for

- As a Senior Basis Administrator, you should demonstrate 3+ years of experience in SAP Basis administration
- Good knowledge of standard operating systems (Linux, Windows)
- Good knowledge of one or more databases (i.e. Oracle, DB2 or Sybase)
- Ideally you should already have some initial experience in SAP HANA
- Good English language skills and an agile mindset round off your profile

We offer

- Inspiring working environment and high volume of interesting projects
- Working in a team of 35 experienced SAP Basis administrators across Germany and Riga
- Start-up environemt, where your voice matters and your ideas are encouraged
- Higly competitive salary and bonus package, full health insurance
- Cool team building events and possibility to travel to Germany for trainings
- Flexible working hours, home office possibilities and 22 days of paid vacation
- Employee oriented working culture
